10th March 2025

Dear Parents,

Re: Educational Learning Experience – Safari Pete - 8th May 2026

We are excited to share that we will be having a special educational visit from Safari Pete. He is a travelling wildlife educator who brings a range of animals into schools to help children learn about wildlife, conservation and how people live alongside animals. During the session, the children will have the opportunity to see and learn about a variety of fascinating creatures through a hands-on and engaging experience in a fun and memorable way. Experiences like this help children develop curiosity about the natural world and encourage respect for animals and the environment.

Safari Pete will be visiting us during the school day on the 8th May 2026 with a selection of animals for the children to experience first-hand.

The cost of the visit will be £4.00 per child. Please pay your contribution using Arbor.

In accordance with the 1996 Education Act, we have to ask for ‘voluntary contribution’ towards the cost of the trip. In the unlikely event that costs cannot be covered by contributions, the trip will be cancelled.

Yours sincerely,

Alexia Hilas

Assistant Headteacher
