Supporting phonics at home

Dear Parents and Carers,

This half term your child will be bringing home a **Phonics tin**. Inside the tin you will find a set of **high frequency words** that your child encountered last term. It would be really helpful if you could practise reading these words with your child at home to help ensure they recognise them confidently. Little and often practice can make a big difference. These tins should stay in your child's bag so they can be added to termly.

Please also continue to complete the **phonics practice activities** your child brings home. These activities are not expected to be returned to school; however, we would really appreciate your support in practising the sounds your child has been learning. This may include sounding out and blending words that contain the focus sound. This will help to reinforce their learning and build their confidence.

Thank you for your continued support. If you have any questions, please do not hesitate to speak to your child's class teacher.

Happy reading!

Yours sincerely,

Mel Bowman
