Dear Parent/Carer,

Year 6 SATs Revision

As we approach the Easter holiday, we would like to take this opportunity to thank you for your continued support in preparing the children for their upcoming Year 6 SATs.

To help consolidate their learning and build confidence, we are encouraging all pupils to complete some light revision over the Easter break. This will focus on key areas of reading, mathematics and grammar, punctuation and spelling (GPS).

These have been carefully chosen to support the children in revising key skills in a manageable and engaging way.

To access these resources, please click the links below:

[Maths](#)

[Grammar Spelling and Punctuation](#)

We recommend that children spend short, regular periods of time on revision (for example, 20–30 minutes a day), rather than long sessions, to keep learning effective and stress-free.

Please remember that the holiday should also be a time for rest and relaxation. A balanced approach will ensure that children return to school feeling refreshed, confident and ready for the final weeks before the SATs.

If you have any questions or would like further guidance on how best to support your child, please do not hesitate to get in touch.

Thank you again for your ongoing support.

Yours sincerely,

Year 6 Team
