Headteacher

Tuesday 14th April 2026

Dear Parents and Carers,

Freshwater Theatre Company Production – Year 4 – Thursday 30th April

We are pleased to share that Freshwater Theatre Company will be visiting the school to deliver a special workshop for Year 4 pupils.

This exciting experience will help children build on their understanding of the Vikings and the wider Anglo-Saxon period. As part of the workshop, pupils will take part in an interactive session inspired by the legendary story of *Beowulf*. They will step into character and join a dramatic re-enactment, bringing this classic tale vividly to life.

Through a blend of storytelling, role-play, and hands-on activities, this workshop provides an engaging and memorable way for children to deepen their knowledge of this fascinating period in history.

The cost of this performance is £6.10. Please can you pay your contribution using the 'Arbor' app by 9am on **Tuesday 28th April.**

Yours sincerely,

Kelly McCormick
Y4 Assistant Headteacher
