

Year Two Home Learning Project

Summer One 2026

Hazelbury Primary School

- ✓ You should choose at least four of the eight options below to complete for your home learning project
- ✓ This may be presented in the home learning book that you have been given, or you may choose to present work in other ways e.g., using ICT, creating a sculpture etc.- be creative with how you present your work.
- ✓ You will present your home learning project to the rest of the class each half term
- ✓ There will be a 'homework hero' each half term in the class- they will win a special reward

	Calculate or Reason	Write	Discuss	Create	Teach	Visit	Investigate	Watch or Listen
<p>Space Exploration</p> <p><i>Significant People: Mae Jemison</i></p> 	<p>Calculate the total number of successful missions to the moon between the Apollo and Artemis missions.</p>	<p>Write a fact file about space.</p> <p>This can include any space explorer human or animal.</p>	<p>Discuss with a grown-up what space exploration is.</p> 	<p>Create your own 3D model of a space craft.</p> <p><i>Be ready to explain to the class the techniques that you used to make this!</i></p>	<p>Teach an adult or sibling about Mae Jemison explaining why they are significant in history.</p>	<p>Take a virtual tour to learn how astronauts are trained to 'live and work' in the International Space Station.</p> 	<p>Investigate what a 'solar system' is. Find out as much as you can.</p> 	<p>Watch this video to learn more about the recent Moon Mission with the Artemis II Crew</p>  <p>and/or</p> <p>Take a look to see what the Hubble Space Telescope is observing right now!</p> 

Your homework needs to be handed on the below.

You will be given written feedback from your teacher about your project.
