

Year One Home Learning Project

Summer Two 2026

Hazelbury Primary School

- ✓ You should choose at least four of the eight options below to complete for your home learning project.
- ✓ This may be presented in the home learning book that you have been given, or you may choose to present work in other ways e.g. using ICT, creating a sculpture- be creative with how you present your work.
- ✓ You will present your home learning project to the rest of the class each half term.
- ✓ There will be a 'homework hero' each half term in the class- they will win a special reward.

	Calculate or Reason	Write	Discuss	Create	Teach	Visit	Investigate	Watch or Listen
<p>Our Learning Quest:</p> <p>How does weather affect our world?</p> 	<p>Place a container outside of your house/window and measure how much rain you collect over a week.</p> <p><i>Which day had the most rain and which day had the least?</i></p>	<p>Complete a weather chart for a week.</p>	<p>Discuss the weather around the world.</p>	<p>Create a summer collage using different materials, textures and colours.</p>	<p>Teach a grown up how the weather can affect growing plants.</p>	<p>Visit the library and find out about the weather around the world.</p>	<p>Investigate how the weather in the UK has changed over the last 5 years.</p> <p><i>Why do you think this is?</i></p>	<p>Watch the weather report on TV every day.</p>

You will be given written feedback from your teacher about your project.
