

Year Five Home Learning Project

Summer Two 2026

Hazelbury Primary School

- ✓ You should choose at least four of the eight options below to complete for your home learning project
- ✓ This may be presented in the home learning book that you have been given, or you may choose to present work in other ways e.g. using ICT, creating a sculpture- be creative with how you present your work.
- ✓ You will present your home learning project to the rest of the class each half term
- ✓ There will be a 'homework hero' each half term in the class- they will win a special reward

Year 5	Calculate or Reason	Write	Discuss	Create	Teach	Visit	Investigate	Watch or Listen
<p>Our Learning Quest:</p> <p>The Sustainability of Our School</p> 	<p>Count the lights, TVs, and computers in your home. Write down the numbers and find the room using the most power.</p>	<p>Write three rules to save energy at home or school. Use the word sustainable to explain why it matters.</p>	<p>Discuss why wind power is better than coal.</p>	<p>Draw a poster reminding people to turn off the lights and computers when they leave a room.</p>	<p>Teach your family about renewable and non-renewable energy.</p>	<p>Take a virtual field trip online to look at a real wind farm or solar farm.</p>	<p>Find out which appliances in your house use energy on standby and learn how to switch them off at the wall before bed.</p>	<p>Watch a video about renewable power. Write 3 things you have learnt about keeping the Earth healthy.</p> 

Your home needs to be handed on the date below.
You will be given written feedback from your teacher about your project.

Hand in Date
Friday 3 rd July 2026
