Dear Parents,

RE: Boromi Home Learning Bags

Boromi bags are ready-made activity packs for you and your child to borrow, take home and explore together.

We are delighted to let you know that your child will get an opportunity to take home one of the Boromi bags, which they will keep for two nights before returning to school, ready for someone else to take home.

There are four different theme bags, *Invent, Imagine, Investigate* and *Share*. The bags will be sent home on a Monday and should be returned on Wednesday or on sent home on a Wednesday and returned on the Friday.

The bags are learning tools, not toys, and adult supervision is required at **all** times. To avoid missing items we advise that all resources are placed inside the bag after each use and kept out of reach when an adult is not present. Parents are responsible for looking after the bag once it is at home.

Please inform your child's key worker of any items that are missing, unclean or in any way unsafe to a child or adult. Looking after all the pieces helps ensure every child can benefit equally from the Boromi bags. There will be a fee of £5 if any pieces are lost. Returning the bags promptly ensures that every child gets the chance to enjoy them.

Have fun exploring the different activities! Take pictures and upload onto Tapestry so your child can share what they did with their friends and adults at nursery.

Yours sincerely,

Alexia Hilas
Assistant Headteacher
