Year Three Home Learning Project
Autumn Two 2026

Hazelbury Primary School

- ✓ You should choose at least four of the eight options below to complete for your home learning project
- ✓ This may be presented in the home learning book that you have been given, or you may choose to present work in other ways e.g. using ICT, creating a sculpture- be creative with how you present your work
- ✓ You will present your home learning project to the rest of the class each half term
- ✓ There will be a 'homework hero' each half term in the class- they will win a special reward

	Calculate or Reason	Write	Discuss	Create	Teach	Visit	Investigate	Watch or Listen
How have we evolved since the Stone Age? 	Create your own Stone Age counting system. Use pictures, symbols or tally marks to represent numbers. Can you count in groups of 10? Show how your system works.	Create a fact file about Stone Age achievements. Include at least four facts about tools, homes, farming, art or inventions.	Talk to someone at home about this question: *Why do we know so little about Stone Age people?* Discuss what evidence has survived, such as bones, tools, cave paintings and buildings. Write down three things you discovered	Create your own Stonehenge out of stones, clay or even cake! 	Teach an adult how Stone Age people found or produced food. Explain hunting, fishing and gathering, and how farming changed people's lives later in the Stone Age.	Visit the official Skara Brae website. Explore the information and activities.	Investigate how Stonehenge was built.	Watch Horrible Histories – Savage Stone Age on CBBC or YouTube.
