

Computing

Computer Science: Information Technology

Create a PowerPoint Presentation based on Sparta and Greece.

- To use slide transitions
- To include animations
- To insert images to a slide
- To add a hyperlink to a presentation

Home Learning

Children will be provided with homework every half term. Please support your child with the following:

- Hazelbury Learning Quest activities
- Daily reading
- Spellings
- Times tables
- IXL

Websites to help with your learning:

BBC Bitesize KS2 History:

PSHE, SMSC and British Values

Personal Social Health and Economic Education

Living in the wider world

- Schools abroad
- Different communities
- Democracy, government and politics
- Campaigns and media influence

Social, Moral, Spiritual and Cultural

Religious Education: Living as a Hindu

- Know that Hindus believe that God is everyone and everything.
- Make connections between the themes of Hindu narratives about the gods and the parallel experiences for humans trying to live a good life.

British Values

Democracy – What is democracy? Why is it important?

Discussion points

- How does modern democracy differ from Ancient Greek democracy?
- How is democracy represented in modern day Britain?

Tchaikovsky Class

Year 5 Curriculum

Spring One

Keeping up with the Spartans

www.hazelbury-primary-school.co.uk

English

Text/s:

- The Whisperer
- Demon Dentist
- Prometheus and Pandora

Writing:

To write a diary entry

Instructions

Narrative

Descriptive writing

Non-chronological report

Grammar

Adverbials, varied punctuation, direct and indirect speech, figurative language, pronouns, adverbs of time

Drama/ Spoken Language:

Role-play and storytelling

Mathematics

- Recognise the percent symbol (%) and understand that per cent relates to 'number of parts per hundred'.
- Write percentages as a fraction with denominator 100 and as a decimal
- Solve a range of problems, which require knowing % and decimal equivalents of fractions.
- To recognise the difference between units of metric measure.
- To calculate the area of an irregular shape
- To measure and calculate perimeter.

Hazelbury Learning Quest

History

- Children will be studying the past society of Ancient Greece using a range of resources to look closely at its social, ethnic, cultural and religious diversity.
- Understand that no single piece of evidence will give the full answer to the past.
- Research the history of the Olympic games, and make comparisons to the modern day Olympic Games.

Geography

Complete a range of fieldwork to observe, measure and record the human and physical features at the Queen Elizabeth Olympic Park.

Art/D&T

- Design and create a Greek Sandal.
- Evaluating a range of products already existing before making design decisions, taking account of constraints such as time, resource and cost.

Music – Charanga unit: Classroom Jazz

- Children will listen to two tunes and other supporting tunes and appraise these.
- They will learn about the interrelated dimensions of music through playing instruments and improvising.

Science

Earth and Space

- Describe the movement of the Earth, and other planets, relative to the Sun in the solar system.
- Describe the movement of the Moon relative to the Earth.
- Record data using scientific diagrams.

Physical Education

Swimming – Improving skills and water confidence

Gymnastics – Balance

Invasion Games – Keeping possession of the ball
