Hazelbury Sports Days!

Thank you to the parents that have already attended their child's sports days. Reception, Year One and Year Two have all enjoyed taking part in the sporting events. This year we catered our events for each year group with the younger children enjoying the sack race and the relay as well as our older children getting the opportunity

to take part in further events such as the long jump and tug of war! We look forward to seeing more parents at our KS2 sports days next week- don't forget your trainers for the parent's race!

Making the Right Choices

PC Hazel came in to visit our class and teach us about the dangers of carrying knives- I learnt a lot from the session. She showed us an interactive movie and we were in charge of the script and the way the story unfolded. We saw what could happen if we made the wrong choices and then what could happen if we made the right choices. I realised just how important it is to be safe and the implications of carrying knives.

Julius, Kingfisher (Yr6)

Children Go Wild!

Kipling and Seuss classes visited Paradise Wildlife Park as part of their animal learning quest. The children enjoyed seeing the different animals and learning about what they eat and where they come from.

'My favourite animal was the lion because he had a huge mane' - Ava

'I enjoyed watching the penguins eating the fish!' - Rohan

Our Famous Portrait!

On Wednesday 26th June, we were part of an art project involving an artist called Steve McQueen. A photographer came in from the Tate Britain to take class photos of each class in Year 3. We asked questions to the photographer about the project and we completed activities to help us understand photography better. I really enjoyed it because

my picture is going to be in the famous Tate Britain alongside children from other schools!!

Thames (Yr3)

Respecting and Understanding Different Faiths

I went with my class to the school hall for an RE workshop. Different members of staff brought in some artefacts from their faiths. We looked at them and then we were able to ask questions. We found out things like, 'How or where do you pray?' Another question I asked was, 'Do you have certain clothes to wear?' Afterwards we made leaflets on the information that we had learnt about the various religions. I found it really interesting and fun to do!

Parul, Robin (Yr6)

Hazelbury Summer Fayre

Thank you to everyone that attended our summer fayre yesterday. It was a gloriously sunny time and everyone had fun as they enjoyed the many activities and stalls. The school raised £1300, which will be going towards new microphones to be featured in our new podcast studio.

We're Going To The Zoo, Zoo, Zoo!

Carroll class thoroughly enjoyed their trip to Whipsnade Zoo last week. As part of their learning quest they were able to see lots of different animals. They learnt about their habitats, what they need to survive and how they interact with each other.

"It was the best day ever! I even saw the tigers playing in the water, the train ride was so much fun, and the baby giraffe was so cute!" Asiya

Mango's Animal Adventure

Mango class had the opportunity to visit Ventura Wildlife Gardens this week. They had some fantastic experiences with the animals- getting up close and even being able to feed them!

"I had a wonderful time at Ventura Wildlife Gardens, my favourite part was when we went inside the kangaroo and wallaby enclosure to feed the kangaroos!" Yusuf

"I had the best day ever! We got to touch lots of different animals like an iguana and a snake. I was a bit scared but also brave!" Charissa

Happy Campers

It started as an ordinary day, like always, finally at the end of the day our adventure began...

We got dressed into our casual clothes and as we took precious steps towards the field, the clear summer air filled our lungs. We got organised in our tents, setting out our bedding and deciding where we would all sleep! It really gave us a true camping experience - like being in the wild!

As night fell, the campfire lit up the sky and we toasted delicious marshmallows whilst singing campfire songs. Sleeping on the floor in the tents, we could still feel the ground beneath us - it felt fresh when we woke up to begin the next day- which was slightly earlier than we would usually wake up! We thoroughly enjoyed ourselves!

Anastasia, Ana, Wojtek (Yr5)

Attendance

Winners for Week Commencing: 24.6.19

Year Groups	Winning Class	Attendance figure
Reception, 1 & 2	Guava	99.3%
3 and 4	Daffodil	99.3%
5 and 6	Dove	100%

Winners for Week Commencing: 1.7.19

Year Groups	Winning Class	Attendance figure
Reception, 1 & 2	Seuss	99.1%
3 and 4	Mississippi	100%
5 and 6	Bach	99.6%

Important Diary Dates and Reminders

Please be reminded that your child should be in school until the end of term. Children miss valuable learning as well as final experiences with their class and teacher if they are absent.

Please ensure that during the hot weather your child has a water bottle and sun cream has been applied at home in the morning.

Date	Event
Monday 8 th July	Year 5 Sports Day am
Monday 8 th July	Year 4 Sports Day pm
Tuesday 9 th July	Year 3 Sports Day am
Tuesday 9 th July	Year 6 Sports Day pm
Wednesday 10 th July	Year 6 Production @2pm in the Silver Birch Hall
Thursday 11 th July	Year 6 Production @9.30am & 5.30pm in the Silver Birch Hall
Tuesday 16 th July	Meet the New Class Teacher (for children)
Tuesday 16 th July	New Reception Admissions Stay and Play Sessions
Thursday 18 th July	Year 6 Leavers Disco @6pm in the Silver Birch Hall
Friday 19 th July	Winning Attendance Breakfast (am) in the Oak Hall
Tuesday 23 rd July	Last Day of Term- 2pm finish
	END OF TERM School finishes at 2pm

BILLY ELLIOT THE MUSICAL

Anyone Can Dance!

Year 6 went to see the junior production of Billy Elliot at Latymer School this week. We really enjoyed the singing and the fight scenes were very realistic! It made us think about how we can be better in our end of year performance; their scene changes were really quick and their voices were very loud!

Ky'on and Aland, Dove (Yr6)

She Shoots, She Scores!

Year Four children went to Edmonton Library to learn all about the history of women's football. Whilst we were there we met a coach from Tottenham Football Club who told us about how women's football had developed since 1820. I've learnt that the first women's football match was in North London. It was a great experience and it has inspired me to watch women's football!

(Yr4)

Flying High!

There was an amazing opportunity this week for Year 6 students to enhance their learning on WW2 and discover the power of flight by creating their own flying machines. Chris, an expert on Hurricane Fighter Jets, asked pupils to build their own jet by assembling parts in groups. The children discovered the theories explaining how aeroplanes fly and built prototypes to test. Saira from Robin class said, "This was amazing, I think I want to be an engineer when I'm older." One group designed and built a rocket, which on its maiden voyage, managed to glide fifty metres. Needless to say Chris was speechless! Well done to our future engineers.
