Photos and filming

We sometimes take photographs/film pupils. We use these images to help us to give people an idea of what life at our school is like, for example in the newsletter, on the school website and our Instagrams and Twitter pages. Photographs and film may still be used once your child has left the school.

Use of photos by the school: I consent to the school taking photographs and filming of my child and for it to be used as below:

- School website
- School newsletter
- Printed school materials
- Internal displays
- Media
- Social media
- Film to be shared with third parties in school
- Training purposes
- Inform relevant members of staff of my child's medical condition

I agree that any photographic or video images that I take at school events will be for my own personal use and will not be used inappropriately or shared with third parties.

I **do or do not** (please circle) give consent to the school taking photographs and filming of my child and for it to be used as above.
