Dear Parents

Re: Lollipop person petition – 14th – 18th October 2019

As you are aware Enfield Council no longer provide a lollipop person at the beginning and end of the school day outside of Hazelbury.

We have recently introduced Road Safety Lollipop Children signs as a deterrent for cars on the zebra crossing outside of school. As a school community, it is clear that we are concerned about the safety and wellbeing of our children in the surrounding roads of the school during the beginning and end of the school day.

Next week, pupils across the school will be learning about Children’s Rights and the importance of their voice and some Year 6 pupils will be campaigning to become MPs for our Hazelbury Parliament.

As part of this, your child has volunteered to take a stand and would like to collect signatures for a petition one day next week either before or after school. Signatures will be collected by the school gates from 8.30 – 9am and again from 3 – 3.30pm each day next week.

Please can you sign below to give permission for your child to take part and collect signatures from parents.

The petition will be sent to Enfield Council alongside their letter to show that our school community care about the removal of the lollipop person. It is important that we keep our children safe and that their voices are heard.

Yours sincerely,

Kathleen Cushnie
Deputy Headteacher

Event: Petition Date: 14-18th October 2019

Child’s name: .......................................................... Child’s class: ..........................................................

I give permission for my child to collect signatures for the petition before/after school

Signature of parent: ..........................................................................................................................
