1. Click on the **link**
2. Click on **Join from Your Browser**
3. Enter your **name**, tick **I'm not a robot** & **join**
4. Click **I Agree**

Safeguarding

Your child will have live sessions EVERY MORNING at 9am. The sessions will be recorded for safeguarding reasons. It is important that you or your child do not record, take photos (screenshots) during this call or post anything on social media. This means photos should not be taken of the screen or the class teacher and your child/ren must not take photos of their friends as you they not have permission.
