Dear Parents,

RE: Parenting Smart (Place2Be)

The children's charity, Place2Be, has launched a new website aimed at helping parents with typical situations they can find themselves in with their children. The website offers lots of practical tips to support children's wellbeing and strategies to help parents manage behaviour. All of our content is created by Place2Be's parenting experts. It's based on evidence and their experiences working with children, young people and their families. Visit the website to watch videos on some of the topics listed below.

Advice can be found on over forty topics including:

- Understanding sibling rivalry
- My child is lying, what does it mean, what should I do?
- My child has trouble going to sleep
- My child and I keep getting into arguments
- My child says 'I hate you!'
- Cultural identity: who am I?

The Parenting Smart website can be found here: <https://parentingsmart.place2be.org.uk/>

Yours Sincerely,

Tanya McDonald
