Dear Parents,

Re: Sparrow Class Fire Station Visit – Monday 31st January 2022

We are planning to take Sparrow class to Edmonton Green Fire Station on Monday 31st January. We will be leaving school at 10.00am and will arrive back by 11.45am in time for our normal lunchtime. The class will be walking to and from the fire station.

This will be an exciting learning opportunity to enthuse the children about our current HLQ topic ‘What makes a hero?’ They will have the opportunity to explore the fire station and extend their knowledge by asking questions to the fire fighters.

Please ensure your child is in school uniform with comfortable shoes and a raincoat.

Yours sincerely,

Danielle Smith
