

Hazelbury Primary School

Terrific Twos News Spring One

The children have settled back well this term and have been eager to learn. We have had lots of fun in the first weeks back!

This half-term's new topic is 'Do all superheroes wear capes?' We will be going on superhero number hunts, creating our own superheroes, creating an obstacle course for our superheroes to find their way through and then moving on to learning about real-life superheroes. We will be talking about who helps us and how and engaging in lots of role-play!

Thank you to the parents who have already uploaded photos onto Tapestry of things their children have been doing, as well as updating the 'About Me' section. As you know, children's interests, preferences, routines and developments change rapidly. Every half term we will be asking you to please take a moment to update the 'About Me' information on your child's Tapestry account. This will enable us to keep up-to-date about what is going on in your child's life and incorporate their interests into our planning.

Celebrating Achievements:

We have had lots of fun dressing up as superheroes and engaging in role-play, developing our speaking and listening skills and turn-taking. We have engaged in small group activities, sharing resources and working together to achieve our goals. We have also used real-life food in our mud kitchen and made our own sandwiches – which were yummy! Our outdoor area is still proving popular as we explore the new resources!

Why Not Try This at Home?!

To continue with the topic at home you could set up your own role-play small-world scenes using figures and lego and create scenarios where they need rescuing. You could also design and make your own superhero masks and capes. A great place to visit if you fancy a trip out is KidZania in Westfield for lots of role-play fun! Some books you may enjoy reading are: 10 Little Superheroes, Super Duck, and Real Superheroes.

Please also reinforce the Makaton signs learnt so far, and don't forget to add any photos to Tapestry!

Top Tips for Talking:

- 1) **Get the child's attention first:** Get down to the child's level and engage their attention before speaking or asking a question. Young children can find it challenging to listen and carry on with an activity at the same time. Saying their name first to get their attention encourages them to stop and listen.
- 2) **Give the child time to respond:** Children often need time to put their thoughts together before answering, so give them longer to respond than you would with an adult. Make sure to maintain eye contact as you wait for them to complete their remark.

Makaton Signs:

Please see this half term's signs linked to our theme. Why not practise these with your children at home?

Key Info:

Now our outdoor area is complete we will be outside learning whatever the weather so please send your child to school with appropriate clothing for the season. Children can wear wellington boots to school as long as they also bring their school shoes to change into once in class. They can also put these on to go outside if it is wet. Please also send spare clothes in with your child to leave in their locker in case of a toileting accident.

14th-18th February – half term

Where Can You Find Us?
