

Hazelbury Primary School

Laura Pearce
Headteacher

Thursday 16th January 2025

Dear Parents,

Re: Year 4 – Local Area Walk

We are planning to take our Year 4 classes on a walk around the local area next week. Some classes will be visiting on different days and all trips will take place within school hours. The walk will take approximately 45 minutes.

This will be an exciting learning opportunity to enthuse the children about our current HLQ topic where we are looking at the geography of the local area, and identifying the human and physical features within our community.

Wednesday 22nd January AM – Jupiter class

Wednesday 22nd January PM – Venus class

Thursday 23rd January AM – Neptune class

Friday 24th January AM – Mars and Saturn classes

We will be in school for lunchtimes, so the usual lunchtime arrangements will apply. Please check the weather on the day, and provide your child with a coat if light rain is forecast.

Please ensure your child is in school uniform with comfortable shoes.

Yours sincerely,

Kelly McCormick
Year 4 Assistant Headteacher
