Year 4 Online Safety Meeting

Tuesday 1st April 9.30am

or

Tuesday 1st April 2.30pm

Venue: Silver Birch Hall

Dear Parents/Carers,

As technology advances at a rapid pace, we understand the challenges of keeping up with the latest apps, social media platforms, and online trends that may pose risks to children. It can be difficult to monitor their online activities while also allowing them the freedom to explore and learn in a safe digital environment.

As part of our ongoing commitment to keeping children safe in an increasingly digital world, we would like to invite you to an important meeting on one of the following dates above in the Silver Birch Hall to discuss further strategies for online safety.

During this session, we will be sharing key insights from Enfield borough's 'Keep Your Child Safe Online' Guidance for Parents and Carers. This will include practical advice on managing your child's technology use, understanding potential online risks, and implementing effective parental controls to ensure a safe digital experience. We strongly encourage all Year 5 parents and carers to attend.

Yours sincerely,

Tanya Saunders
Assistant Headteacher
